

**Administrators of Internal Medicine
Northeastern Regional Meeting, July 24, 2008
Agenda
Mount Sinai Medical Center
Annenberg Building, 14th Floor, Conference Room 14-02**

- | | |
|-------------------------|--|
| 8:30 - 9:00 am | Continental Breakfast |
| 9:00 - 9:15 am | Welcome and Introduction |
| 9:15 - 10:30 am | Faculty Group Practice: Organizational Challenges – A Perspective from Medical Schools
What are the advantages and disadvantages of each Medical School's organizational structure relating to their Faculty Practice? |
| 10:30 - 10:45 am | Break |
| 10:45 - 12:00 pm | Grants Management: Post Award Strategies for Success
What successful systems and practices are used to best manage active research grants including ongoing budgeting, timely reporting, and Time & Effort reports? |
| 12:00 - 1:30 pm | Lunch Meeting: Leading through Mentorship-The Value and Benefits of Mentoring in Healthcare
Developing tomorrow's healthcare leaders is not only valuable to those who are mentored, but also to those who mentor and to the organization. A discussion of why mentoring matters; how it is an important part of being a healthcare leader; and tactical approaches to mentoring will be explored. |
| 1:30 - 3:00 pm | Community Outreach Partnerships and Activities to Improve Community Health
How can we be responsive to the communities in which we operate and from which we draw many employees? What are our responsibilities and how do we carry them out? |
| 3:00 - 3:15 pm | Break |
| 3:15 - 4:45 pm | Open Discussion / Topics and venue for future regional meetings |
| 4:45 - 5:00 pm | Wrap-Up |
| 5:15 – 7:30 | Post Meeting Reception |
